

SNOWSTORM IN A JAR

SNOWSTORM IN A JAR

WATER (ABOUT 1 CUP)

BABY OIL

GLITTER

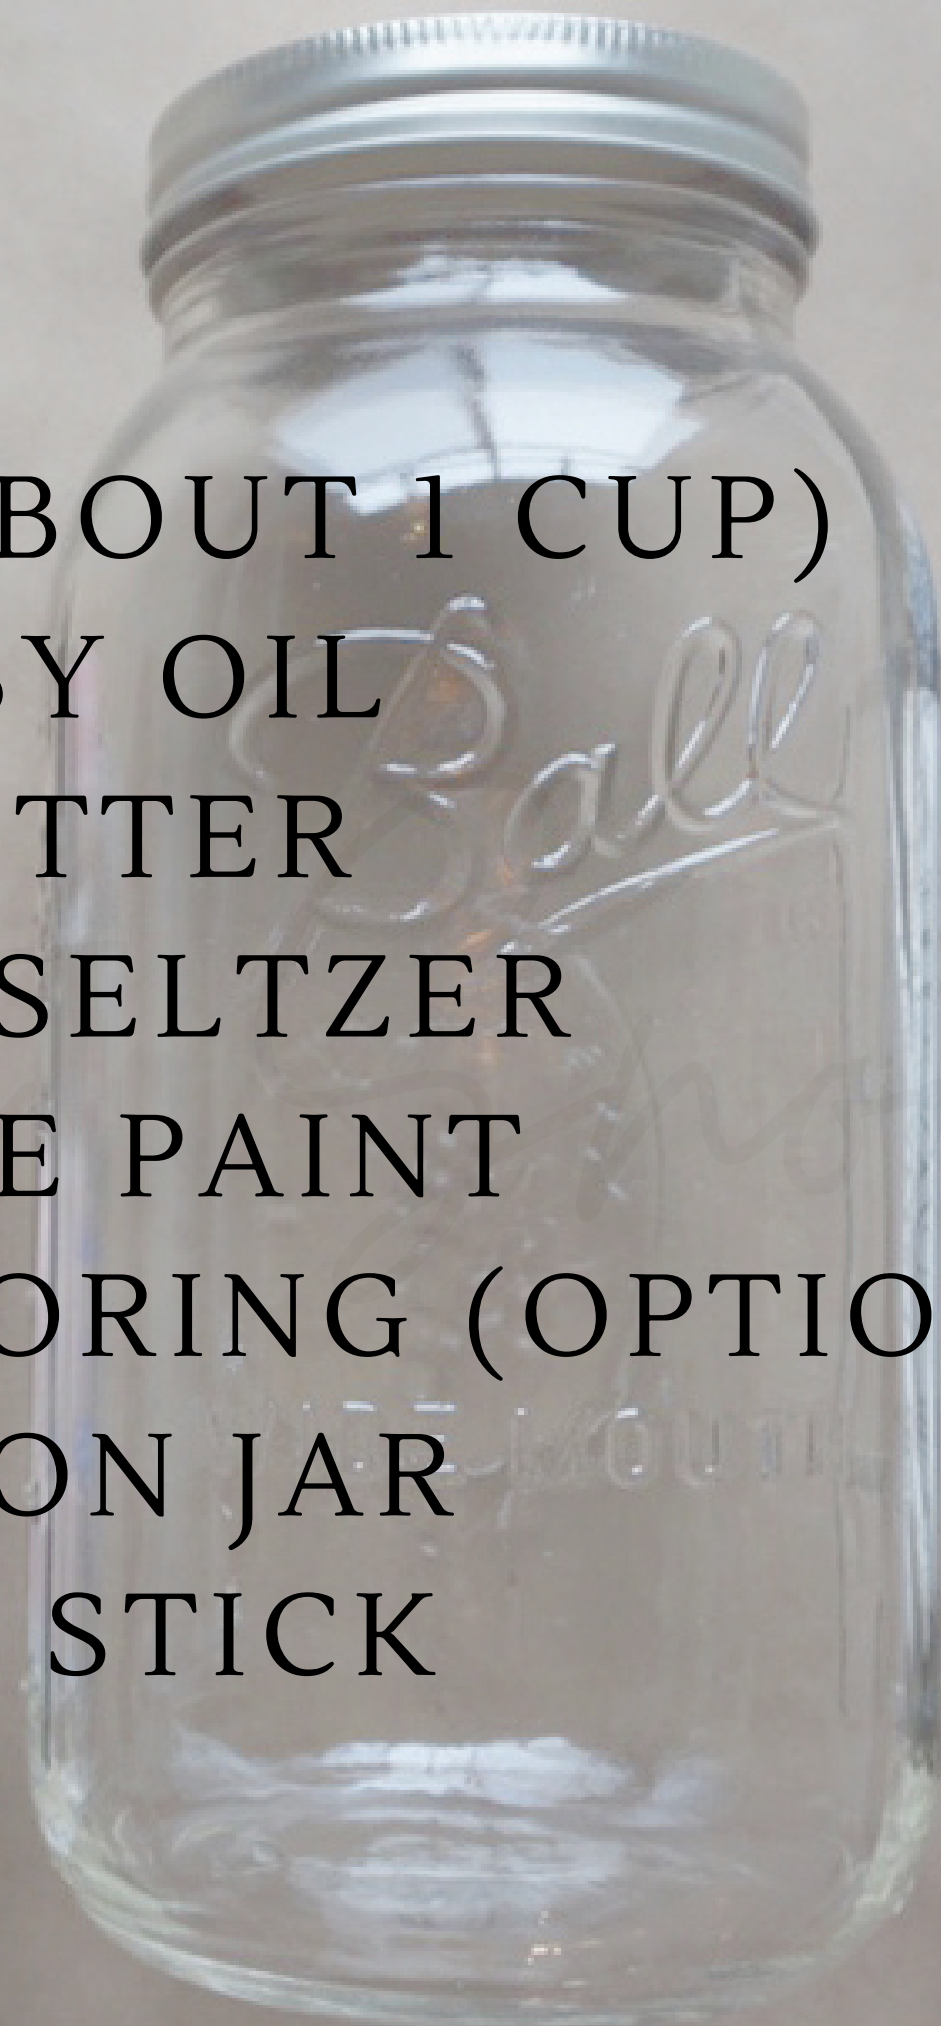

ALKA-SELTZER

WHITE PAINT

BLUE FOOD COLORING (OPTIONAL)

MASON JAR

STIR STICK

01
step 1

Fill your jar about three-fourths full with baby oil. In a separate bowl, blend water and a few tablespoons of white paint.

02
step 2

Add as much glitter and blue food coloring to the oil as you'd like, and then top off the jar with your water and paint mixture.

03
step 3

Drop your Alka-Seltzer tablet into the jar, and take a step back.

Thank you
